

## PUBLIC ISSUES COMMITTEE

### **Parliamentary Privilege and free speech: MP's privileges and citizens' freedom from oppression**

This paper is issued by the Public Issues Committee of the Auckland District Law Society. Its views are its own. It cannot and does not necessarily represent the views of all lawyers nor has the subject under discussion necessarily been considered by the Council of the Auckland District Law Society. The paper was accurate at the time of its preparation.

If the Committee is not described by its actual name then it should be described as "a group of Auckland lawyers appointed by the Council of the Auckland District Law Society to consider public issues", and not given too broad an attribution such as "Lawyers say..." or "Lawyers consider...".

The Committee was formed to encourage its members to consider and comment on public issues, for the public benefit, it is hoped, particularly public issues with a legal element. The Committee's standing must stem solely from the quality of the papers it releases and the comments it makes.

If a precis or abstract of this paper is published, or reference made to its content, please advise your readers that the full text of the paper issued by this Committee will be available at the Auckland District Law Society's Internet website:
